

## **EXPERIENCING the POWER of “ONE ACCORD”**

*“...they lifted up their voice to God with one accord...And when they had prayed, the place was shaken where they were assembled together; and they were all filled with the Holy Ghost, and they spake the word of God with boldness. And the multitude of them that believed were of one heart and of one soul: neither said any of them that ought of the things which he possessed was his own; but they had all things common. And with great power gave the apostles witness of the resurrection of the Lord Jesus: and great grace was upon them all.” Acts 4:24, 31-33 (KJV)*

*“For seven days they celebrated with joy the Feast of Unleavened Bread, because the Lord had filled them with joy by changing the attitude of the king of Assyria, so that he assisted them in the work on the house of God, the God of Israel.” Ezra 6:22 (NIV)*

---

Attitude is everything; it can lift you up or bring you down. It is a barometer of your heart if you will. If your heart is not right, your attitude will suffer. Attitude is critical because it influences your course of action. If your attitude is negative, your words and behavior will be too. There is a difference in being a realist about negative circumstances, and living with a chronic bad attitude.

Your attitude is rooted in who you are in Christ, and the attitude that Jesus exhibited was one of humility and servant leadership. His attitude reflected submission to His Heavenly Father, which resulted in service, generosity, and love for people. Jesus was joyful and hopeful, because He rested in the will of God. Do not allow somebody else’s bad attitude to influence yours. Be the attitude influencer instead. Greet a frown with a smile, crush criticism with affirmation, and listen patiently until fury loses its steam. A positive attitude will eventually outlast and overpower a negative one. Most of all, pray for those who thrive on negativity. Pray for them to be set free from their hurt, anger, guilt, and insecurity. God has you in their lives to reflect the Almighty and to encourage an attitude adjustment through Him.

God is the genesis of a right attitude, and He is the right attitude sustainer. He wants His attitude to be our attitude. Each day, your attitude gets knocked around and abused by life. If left unattended, your attitude will drift into wrong thinking, harsh words, and bad behavior. Self-pity and anger can begin to replace selflessness and forgiveness. With just a little bit of daily tweaking, your attitude stays in line with His. It is subtle, but sometimes attitudes need to be adjusted moment by moment.

Lastly, slow down and pray when you feel your attitude eroding. When you’re in the midst of a bad attitude, don’t make important decisions; the time isn’t right for that. You will regret every decision you make during a time of emotional upheaval. Be patient, and wait until your anger has subsided, your heart is cleansed, and your attitude is objective. Almighty God is into attitudes that trust Him and reach out to others with compassion and understanding. Open-minded and reasonable attitudes lead to rich and robust relationships. Anyone can be negative; so don’t be anyone, be different. Allow God to shape your attitude on the anvil of His heart.

An attitude molded by God is infectious and transforming. Allow Him to change yours, and then trust Him to change another’s. The Bible says, “*Your mind/attitude should be the same as that of Christ Jesus...*” (Philippians 2:5)

**Words from the Master during your time of reflection this week:** “Come to Me continually. I am meant to be the Center of your consciousness, the Anchor of your soul. Your mind will wander from Me, but the question is how far you allow it to wander. An anchor on a short rope lets a boat drift only slightly before the taut line tugs the boat back toward the center. Similarly, as you drift away from Me, My Spirit within you gives a tug, prompting you to return to Me. As you become increasingly attuned to My Presence, the length of rope on your soul’s Anchor is shortened---the inner tug telling you to return to your true Center in Me!” (Hebrews 6:19; 1 John 2:28; Matthew 22:37)

*“And then God answered: "Write this. Write what you see. Write it out in big block letters so that it can be read on the run. This vision-message is a witness pointing to what's coming. It aches for the coming—it can hardly wait! And it doesn't lie. If it seems slow in coming, wait. It's on its way. It will come right on time.”* Habakkuk 2:2-3 (MSG)
